AN ANJALI GOEL ENTERPRISE

theQUOTE

Anjali Goel
CEO & Director

People may doubt what you say but they will always believe what you do" says Ms Anjali Goel, the force behind La Sorogeeka – the brand that creates luxury designing. MS Anjali Goel believes that interiors is not only about designing and planning space but fashioning it. Combining her aesthetic training with entrepreneurial vigour, CEO and Director of La Sorogeeka has travelled a long way.

According to Ms. Anjali Goel, MD- La Sorogeeka, " Customers today are well aware of the look they want for their homes and about what they wish to achieve with particular style of furniture. We at La Sorogeeka work towards translating their dreams into reality, by providing a wholesome experience that touches your soul"

La Sorogeeka, the brand for high-end, luxurious interior solutions, is today a name synonymous with style and exclusivity. The ability to create unforgettable spaces has become La Sorogeeka's signature. With artistry, the touch of finest materials, the beauty of intricate craftsmanship and spirit of daring offering every king his castle, every queen her palace, every angel her paradise. La Sorogeeka creates every individual's dream.

With an in-house design centre taking care of identifying materials which are unique & never used before - the brand offers exquisite and premium range of self designed and manufactured high-end furniture, that bless the interiors with a distinguished look.

La Sorogeeka came into existence in 1988 by Ms. Anjali Goel - who started out designing and creating concepts for friends and family. 20 years later it has reached to the level of creating landmark interior concepts from designing, planning, and execution of interior, furniture, soft furnishings, lights and accessories created in active collaboration and formidable reputation

earned across the globe. The finest in house talent in wood-crafting, master craftsman in metal, glass and semi-precious stones specially trained personal to create exclusive wall effects where form follows new lines and magnificence takes new dimension and that's finesse of La Sorogeeka.

La Sorogeeka today has 100,000sqft of manufacturing unit at Noida premises along with stunning showroom of 20,000sqft area spread over sprawling 3 acre land besides 10,000sqft warehouse and 55,000sqft office and production at national capital (delhi)
